Prince Philip will be sadly missed - an inspiration to all in his dedication to serving the people of this country, with the Duke of Edinburgh Award Scheme which helped so many young people to achieve more than they ever hoped and in so many other ways.

It is with profound sadness to hear of The Duke of Edinburgh's death. His many contributions and support in so many areas in the country and around the world will be remembered for a very long time. May our prayers be with his family at this time.

A dignified man, your love and support for your wife, our Queen, has been amazing. Your inspiration and support for young people has made a big difference to so many young lives and leaves a lasting legacy - past, present and future. You have worked hard for your country in so many ways, time now to lower your sails and rest in peace. Thank you.
